

NOTICE: L.A. IPI Equipment Shortage

November 23, 2020

Dear Business Partner,

Due to severe rail congestion out of Southern California, we are experiencing an equipment shortage. This shortage is impacting our L.A. IPI schedule and anticipate delays through the holiday season.

We are monitoring the situation closely and doing everything in our power to limit disruptions.

Please contact your STG customer service agent with any further questions.

We thank you for your understanding and patience during this time.
