

## **NOTICE: Window Fee Increase – National**

Dear Business Partner,

As we continue to see ongoing unprecedented cost increases in all aspects of our business, our import window facility fee will increase to \$90.00 per house bill at all STG company owned locations effective March 7th, 2022. The increase will apply to all cargo picked up on March 7th and forward.

In addition to this increase of the window fee in 2022, we are also in the process of negotiating our annual intermodal contracts with our partners. Once these negotiations are finalized, an increase to our IPI rates will be announced in advance of the effective date in June.

If you should have any questions regarding these increases, please reach out to your STG account manager.
