

## **NOTICE: AB5 Demonstration in LA & Long Beach Terminals**

Dear Business Partner,

There is an AB5 demonstration that is taking place at this moment in LA & Long Beach terminals which is impeding drivers to reach some of the terminals. The TTI terminal appears to be the most impacted at this time with trucks being turned away due to road blocks. Ongoing delays are expected in retrieving and returning containers at least for today. We will provide further updates as we monitor this situation closely.
