

NOTICE: Email Change Reminder - XPO Intermodal to STG Logistics Domain

Dear Business Partner,

As you may be aware, in March 2022, STG Logistics acquired the Intermodal Division of XPO Logistics. Since then, our team members have been working on combining the companies and systems. Effective October 1, 2022, all emails that used to have XPO Intermodal domain are no longer being forwarded to our associates. While we have tried to inform all customers, some may have been missed. New email addresses have been created under the STG Logistics domain (stgusa.com).

To view the correct contact information for all STG Drayage locations, please click here: https://www.stgusa.com/site/assets/files/3126/stg_dray_locations.pdf.

We value you as a customer and appreciate your business.
